General Comments

Please provide any other information about your re-enactment or other history related activities, including specific skills you are willing to use to help Crown and Empire get events, or make those events we have better and/or safer e.g. pyrotechnics , educational talks, storytelling, first aid etc.

We would also like to know of any restrictions that you have regarding the hobby, e.g. only do living history, don't do living history, only available in school holidays, will not travel more than 50 miles radius of home etc .

Thank you for completing this questionnaire. All of this information will be useful to calculate likely Crown and Empire support when booking events. We know we will never be able to please all the members all the time, but we hope that with this information we will be able to please ALL the members at least some of the time.
